How to fill in this report form:

¹**Room number** is required by all means. It helps us find the defect/damage and we can contact you in case there are any questions on our side.

²Akademikerhilfe operates several **residences**, your mentioning the residence will help us find the room. You may use abbreviations such as MU for Muthgasse

³Your **name** is not required, but it helps us make sure that the room number has been read/identified correctly.

⁴The date may be helpful if a report has been received twice.

⁵If a **light bulb** is to be replaced, please tick the box where we can find the faulty bulb.

⁶Tick "other defect" if the first two types listed do not apply.

⁷Please mention the **room** where the **damage/defect** has been discovered. If it is not your own room, please indicate which other room is meant.

⁸Please give a brief **description of the damage/defect**. It will help us organise the required repair work.

The grey box "To be completed by Akademikerhilfe staff" is meant for the administration of the repair orders and will be completed later.
